

# Rider Training in Europe The Views and the Needs of the Rider

*The Rider Training Survey resulted in the development of eight guiding principles*

- \* Training courses should be AFFORDABLE
- \* The location of training stations should be ACCESSIBLE
- \* The instructors must be COMPETENT & QUALIFIED
- \* Teaching of relevant MACHINE OPERATION SKILLS
- \* Appropriate exercises:  
THEORY-PRACTICE-ROAD-RIDING
- \* Teaching ROAD TRAFFIC REGULATIONS, and the reasons for their existence
- \* Emphasis on HAZARD AWARENESS & AVOIDANCE
- \* Attention to be given to  
RIDER ATTITUDES AND BEHAVIOUR
